Review recap of the Commission's Informal Officer Succession Plan

Background:

The Commission has three officers, no two of whom can be from the same county:

1. Chair
2. Vice-Chair
3. Secretary

Traditionally, the Commission has rotated its officers among the large and less populated counties to achieve a balance in the governance of the program.

In general, the Chair, Vice-Chair, and Secretary have been rotated every two years with each office represented by a different county.

As of December 31, 2023, the Chair from Washington County was finishing the first of two years. The Vice-Chair from Ramsey County was finishing the first of two years, and the Secretary from Carver County is finishing the first of two years. Under the normal succession, the rotation for chair would be as follows:

Service Years	County Representation
2023 and 2024	Washington
2025 and 2026	Ramsey
2027 and 2028	Carver
2029 and 2030	Anoka
2031 and 2032	Scott
2033 and 2034	Dakota
2035 and 2026	Hennepin

The Executive Committee is made up of the three officers plus one member from each of the counties not represented by an officer.
