STRATEGIC PLANNING 10 YEAR GOAL

Requested by:Approval:Daniel HuffApprove 10-year BHAG

Background

After gathering stakeholder input and completing a SWOT analysis and Environmental Scan, the Strategic Planning Committee has developed the District's Big Hairy Audacious Goal (BHAG)—a ten-year aspirational goal for MMCD. This 10-year BHAG is: We protect all people in the district from vectors and improve their time outdoors.

This new vision represents our intent to treat the district border to border within 10 years. However, it shifts the focus from land to people, freeing us to pursue multiple and potentially new solutions to achieve our ultimate goal: serving the taxpayers of the district by protecting them from vector-borne diseases and improving their time outdoors.

Actions to Date

- **Stakeholder and Staff Input**: Prouty gathered insights through surveys, interviews, and focus groups with MMCD staff, commissioners, the Technical Advisory Board, and lobbyists.
- Strategic Planning Committee Review: The committee analyzed this feedback to create a SWOT assessment and an Environmental Scan, initiating discussions on MMCD's mission, values, and vision.
- **All-Staff Session:** Staff reviewed and refined the SWOT and Environmental Scan, contributing ideas for the Big Hairy Audacious Goal (BHAG).
- Commission Review and Revision: The Commission provided additional input to refine the SWOT and Environmental Scan.
- **Joint Session with Commissioners Workman and Miesner:** The Strategic Planning Committee, along with Commissioners Workman and Miesner, reviewed MMCD's Mission, Values, and Vision statements and worked to finalize the BHAG.

Next Steps

- Over the winter, the Strategic Planning Committee will develop the strategic plan, outlining three-to-five-year goals and the strategies to achieve them.
- A draft of the Strategic Plan will be presented at an open house following the February Commission meeting.
- The final Strategic Plan will be submitted for approval at the April Commission meeting.

Commissioner Miron stated how important verbiage is, because not all people relate vectors to public health. Commissioner Moran stated it is important to make it clear and easy to understand. Commissioners further discussed the topic and agree the District's Big Hairy Audacious Goal (BHAG) is an internal statement.

Commissioner Anderson offered the following resolution and moved its adoption.

Resolution 3:

Commissioner Anderson made a motion to approve the 10-year goal for the District:

We protect all people in the district from vectors and improve their time outdoors.

Commissioner Degler seconded the motion the resolution was approved unanimously.

LEGAL COUNSEL FOR MMCD COMMISSION AND CONTRACT FOR SERVICES

Requested by: Daniel Huff	Approval:or Approve Kennedy and Graven as legal counsel for the Commission
	Recommendation: Recommendation for the approval of contract
	for services with Kennedy and Graven.

Historically, MMCD and its Commission have contracted with a local legal firm for legal services and counsel, as authorized by Minnesota Statute 473.704 Subd. 5, which grants the Commission authority to contract services as needed.

Since 2015, legal counsel has been provided by the firm Ratwik, Roszak, and Maloney, whose contract is set to expire on December 31, 2024. The last request for proposals for legal services was issued in 2015. To ensure continuity, MMCD issued a Request for Quotations (RFQ) for Legal Services and General Counsel on September 1, 2024, with responses due by September 30, 2024. Six firms responded to the RFQ.

During its October 23, 2024, meeting, the Board approved the RFQ, accepted the six responses, and directed the Executive Director to review the submissions and make a recommendation to the Executive Committee for selection.

The Executive Director and Senior Leadership Team reviewed all six submissions, selecting three firms for interviews. These interviews were conducted by the Senior Leadership Team. The Executive Director also checked references for the selected firms.

The Executive Director recommends the Commission adopt Kennedy and Graven as its new legal counsel.

Kennedy and Graven is a Minnesota-based firm specializing in representing local governments. With 35 attorneys, it is the largest firm in Minnesota serving primarily local governments. Attorney Sam Ketchum will lead the team from Kennedy and Graven to serve as District Attorney. Mr. Ketchum currently serves as City Attorney for the cities of Rose Creek, Maple Lake, and Montrose, as well as Assistant City Attorney for the City of Richfield, among others. In addition to local government expertise, Mr. Ketchum has extensive experience in environmental law, including water resources, wetlands, stormwater, and environmental review, making him a unique fit for the District.

Attorney Siobhan L. Tolar will serve as Assistant District Attorney. Ms. Tolar has held various positions with the City of St. Paul, including Senior Attorney in the Civil Division of the City Attorney's Office. She currently serves as the City Attorney for the City of Brooklyn Center and Assistant City Attorney for the cities of Brooklyn Park and Roseville.

Commissioners Workman and Degler both stated in the past they experienced undesirable experiences with Kennedy and Graven, Commissioner Workman stated she would be voting no for the approval of new counsel.

Commissioner Beer asked if the fee structure was a savings for the District, Executive Director Huff explained the fees are based on an hourly rate and Kennedy and Graven, provided the second lowest rates. Commissioner Workman stated not understanding the need to make a change if there is no cost savings. Executive Director Huff future explained Kennedy and Graven provided a deeper bench, have attorneys assigned to environmental issues, and ensure a quicker response time.

Legal Counsel Joe Langel stated Ratwik, Roszak, and Maloney has appreciated the opportunity and understand that client relationships come and go, and a client has the right to change counsel as seen necessary.

Commissioner Miron stated it is healthy for the District to go out with RFQ's and appreciates Ratwik, Roszak, and Maloney's service and longevity.

Commissioner Reinert offered the following resolution and recommendation.

Resolution 4:

Commissioner Reinert made a motion to approve the selection of Kennedy and Graven to serve as legal counsel for the Commission and forward the recommendation to the full Commission for approval of the contract for services with Kennedy and Graven.

The Executive Committee voted:

2025 BUDGET APPROVAL

Daniel Huff	Recomn

Recommendation for the approval of the 2025 Proposed Budget

Background:

We continue to work on the 2025 budget, which you will review and finalize at the Commission meeting. While weather remains one of the largest factors influencing the operations budget, several other factors will significantly impact the overall budget.

With a very healthy fund balance, funds have been allocated to support specific expense areas, as shown in the pie chart below. Per MMCD's budget policies, funds are *Assigned* by the Executive Director, while *Committed* funds are designated by the Commission.

The 2025 Proposed Budget is a balanced budget, representing a 5.2% increase in expenditures from the 2024 adopted budget and a 3% levy increase, along with an anticipated rise in investment returns. This budget allocates funding for wage increases, capital improvements, and staff development. It also supports program enhancements in quality control and safety, expands lab and field operations capacity, and provides additional external services such as IT and data systems support, a compensation study, and strategic planning.

Requested by:	Action requested:
Arleen Schacht	Determine whether to waive statutory tort limits

Background:

The District has obtained insurance coverage (General Liability, Property Casualty, Worker's Compensation, etc.) through the League of Minnesota Cities Insurance Trust for several years.

When renewing liability coverage, the District needs to decide whether or not to waive the statutory tort limits to the extent of the coverage purchased. The decision to waive or not to waive the statutory limits has the following effects:

If the District does not waive the statutory tort limits, an individual claimant would be able to recover no more than \$500,000 on any claim to which the statutory tort limits apply. The total which all claimants would be able to recover for a single occurrence to which the statutory tort limits apply would be limited to \$1,500,000. These statutory tort limits apply regardless of whether the District purchases the optional exceptional liability coverage.

If the District waives the statutory tort limits and does not purchase excess liability coverage, a single claimant could potentially recover up to \$2,000,000 on a single occurrence. The total of all claimants would be able to recover for a single occurrence to which the statutory tort limits apply would also be limited to \$2,000,000 regardless of the number of claimants.

If the District waives the statutory tort limits and purchases excess liability coverage, a single claimant could potentially recover an amount up to the limit of the coverage purchased. The total of all claimants would be able to recover for a single occurrence to which the statutory tort limits apply would also be limited to the amount of coverage purchased, regardless of the number of claimants.

- The District has traditionally not waived the statutory limits.
- The limits currently are \$500,000 / \$1,500,000.

Resolved, the District not waive the statutory insurance liability limits.

Daniel Huff	Preview of 2025 Commission Business

Background:

We anticipate another exciting year for MMCD. The Commission will have five major items to review and approve this year. These are:

- 1. MMCD Strategic Plan (April)
- 2. 2026 maximum property levy (August)
- 3. 2026 annual budget (December)
- 4. 10-year capital plan and budget (December)
- 5. Labor agreement between MMCD and City Employees Union, Local 363 (December)

Additionally, we will continue to engage Commission members in learning about the work of the District through district office tours and staff presentations during Commission meetings. Some of the topics we have planned for this year are:

- 1. Community engagement and outreach
- 2. Control materials and environmental impacts
- 3. Helicopter treatment program
- 4. Tick and tick-borne disease surveillance
- 5. Facility, fleet, and organizational assessment

For our February Commission meeting, we will provide a review of the work completed by the District in 2024.

Kim Scott has reserved space for MMCD on the State Capitol grounds for Tuesday, May 6. This will provide us with an opportunity to engage with legislators and their staff and share the good work done by MMCD on behalf of the community. We invite you to attend.

RE: EXECUTIVE DIRECTOR REPORT

DATE: JANUARY 2025

DIRECTOR'S INITIATIVES

Happy New Year! I am looking forward to working with you and the full Commission this year. We received notice from Carver County that Commissioner Lisa Anderson will be joining the MMCD Commission in the seat vacated by Commissioner Degler. Commissioner Lisa Anderson joins Commissioners John Heinrich (Anoka), Kelly Miller (Ramsey), and Bethany Cox (Washington) as new members of the MMCD Commission. An additional vacancy from Ramsey County will be filled by the winner of the Ramsey County District 3 special election being held on February 11.

MMCD's Strategic Planning Committee met earlier this month and drafted four goals, each with three to five strategies. These goals and strategies are based on the 10-year goal statement: We protect all people in the district from vectors and improve their time outdoors.

We are hosting an Open House for the Strategic Plan on February 26, following the MMCD Commission meeting. We invite you all to stay after the meeting to participate in the Open House and provide your insights and thoughts. Your feedback is invaluable in shaping the Strategic Plan, and we strongly encourage you to attend. You should anticipate spending approximately 20–30 minutes to participate. This Open House is open to the public and will be publicly noticed.

MMCD sought and received a change in the Minnesota State Statutes governing MMCD so that the Executive Director is no longer required to be an entomologist. Both the Commission and the Technical Advisory Board (TAB) have emphasized that science will continue to drive the work of the District. I have initiated an internal reorganization of the Technical Services Division, elevating the status of the District Entomologist to Senior Manager and member of the Senior Leadership Team. The District Entomologist will report directly to the Executive Director, providing direct advice and guidance and overseeing a newly created Entomology Division.

The Senior Leadership Team met with our new legal counsel, Sam Ketchum and Siobhan Tolar, to begin development of their 2025 work plan. Items prioritized for this year include:

Revising personnel guidelines for seasonal technicians

Reviewing the District's updated Affirmative Action Plan

Reviewing the District's Other Post-Employment Benefits (OPEB) program

Preparing for labor negotiations with City Employees Union, Local 363
