July 30, 2025

On Tuesday, August 5th, 2025, staff of the Metropolitan Mosquito Control District (MMCD) will be conducting a field demonstration day for our Technical Advisory Board (TAB) members. MMCD has also invited County Commissioners, public health officials, and other state agencies to attend.

This demonstration day will be held at MMCD's East Regional Facility, 6989 55th St. N., Oakdale, Minnesota 55128. The event is scheduled from 9:00am – 12:00pm Central.

This educational event is intended to show operational methods in the field and provide real world experience to attendees. Demonstrations will include mosquito surveillance, field applications, vector-borne disease operations, control materials, drones, entomology lab, data systems, tick surveillance, calibration equipment, and the black fly program.
